

JOHN JACKSON.

This clever inside forward has simply forced his way into the Clyde League team again, and on Saturday he exhibited dodging and placing of a high order. Last season he was in the running for honours, and with more experience should graduate to the select band of Internationalists. Jackson is a gritty inside forward, 'cute on the ball, and not afraid to give or take a charge. He was with Ardeer Thistle and Irvine Meadow Eleven, and it was from the ranks of the last-named that he signed for Shawfield. He has youth, pluck, and cleverness—three invaluable attributes—to commend him.
