

# NOTABLE TRANSFER.

## JACKSON OF CLYDE.

FOR LEEDS CITY.

JOHN JACKSON.

Yesterday afternoon representatives of the Leeds City club visited Glasgow and came to terms with the Clyde management for the transfer of John Jackson, a player who, during his sojourn at Shawfield, has proved a valuable man for the Bridgeton club.

As a junior Jackson played with Ardcor Thistle, and more senior clubs than Clyde were interested in the clever forward before he decided to throw in his lot with the Glasgow Leaguers.

His favourite position is inside right, but with Clyde he has been a handy man, occupying all positions forward, and occasionally assisting in the intermediate line.

Jackson, whose only senior honour was v. the Irish League last season, will play for Leeds City to-morrow against Birmingham.
